25 questions, 90 points
27 October 2004

be pithy

75 + 2

pithy *adj* Pronunciation: 'pi-thE

Inflected Form(s): **pith-i-er; -est**

1 : consisting of or abounding in pith*

2 : having substance and point : tersely cogent

synonym **CONCISE**

The total points (out of 86, due to the elimination of question 20) plus 2 points extra credit from #25

In the spreadsheet, "75" will be shown, but $(75) \times (90/86) = 78.5$ will be recorded (to keep the total number of points = 600)

NAME: Average Mid Student Number: _____

Whole Period...Short answer: few words, legible (!) phrases are fine

Hint: Look over the whole thing first and answer the ones that you know cold, quickly...then go back and work on the ones that need more thought.

If you need more space (!!), you can use the back...
