- 1 Go to **www.masteringphysics.com**, under **Register**, click the **Students** link.
- 2 Next, check off whether or not you have an **Access Code**. If you don't, select textbook **Rex & Wolfson**. Either way, you'll be asked to **Accept** the License Agreement before moving on.
- 3 After this, either **Create** a new Pearson username/password, or, if you've already registered for another Pearson product (i.e. MyMathLab), enter that username/password. If you have an **Access Code**, enter it on the bottom of the page.
- 4 On the next page, fill out the appropriate information fields then click **Next**. If you entered an **Access Code**, you will be brought to a page from which you can access your product. If not, enter your payment information so that you can **Purchase Access**, after which you'll be granted access.
- 5 You have now registered! Now, it's time to enroll in your course. To do this, go to **www.masteringphysics.com** and click the **Sign In**. Enter the username/password you either created or entered in Step 3. Once signed in you can: click the **Join a Course** button on the bottom of the page, and enter your **Course ID** (listed above); **Launch your eText**; or **Explore the Study Area**. Finally, enter your **Student ID** (from the MSU Email address) if prompted to do so. That's it!
