

Quarks, Spacetime, and the Big Bang Chapter Critique

Chapter Number: _____ Chapter Title: _____

Chapter Date (in footer): _____

Your Name _____

Student Number _____ Today's Date _____

Overall impressions of this chapter:

As you fill out the following pages, please be sure that you include reactions to at least these questions:

- Should I throw it out and start over?
- What specifically should I *remove*?
- What specifically should I *change*?
- What specifically should I *add* that's not there?
- How does it compare to other physics/science books you might be familiar with (in general, not by name)?
