1) AdvancedTCA CO6 6U Chassis, AC Input Platform

Part Number	Quantity	Amount
CO6-6U-DS40-F2-SP1128-P0-AC2	1	\$5,791.00
	10	\$5,112.00
	25	\$4,942.00

Chassis Configuration:

- a) **CO6** - 6-Slot ATCA with Dual Star Backplane, 40G Ready
- b) **6U** - ATCA Rack Mount Chassis with RTM, 6U high, black
- c) **DS40** - Dual Star Backplane, 40G Ready
- d) **F2** - 2 Fan Trays (push/pull) each with 8, 92x92x38 fans for 400W+/slot cooling
- e) **SP2128** -1 Shelf Manager Control Board with ShMM-500, 128Mb
- f) **P0** - No DC option in this configuration
- g) **AC2** - AC input with 2, 850W, AC power modules (Provisions for 4 supplies)
- h) Fan air filter included

041-06040S

1

\$725.00

- a) F - 1 Fan Tray,
- b) For use in CO6-6U-AC Comtel horizontal chassis
- c) Includes Air Filter (can also use without filter)
- d) RoHS Compliant 6/6 with Exemptions

7) CO6-6U-AC Accessories

Part Number	Qty	Amount
038-06041S Fan Tray Air Filter Media (Pack of 10)	1	\$86.00
041 06042S ShMC Filler Panel	1	\$35.00
041 06101S P/S Filter Media (Pack of 10)	1	\$76.00
041 04842S Power Supply Filler Panel	1	\$28.00
041 06044S CO6 PS Cover Panel	1	\$67.00

8) Terms of delivery

- Shipment: Small quantity (<5) – Stock to 8 weeks. New production 12 weeks, ARO.
- Delivery: EX WORKS Shangahi, packing included!
- Payment: 30 days net (upon approved credit)
- Validity: 90 days from date of quote
- Currency: US Dollars – If Euro exchange rate varies from current rate greater than 5%, prices may be subject to change.

Please email orders to Comtel Electronics GmbH attention naorders@comtel-online.com with reference to **quote number**. Delivery subject to availability of production at time of placing order. Please contact us prior to placing an order.

Comtel is an ISO 9001:2008 certified supplier.

If there are any further questions, please do not hesitate to contact me.

Sincerely,

Kevin Washington

**** SPARES AND ACCESSORIES ****

2) ATCA Front Filler Panels with Baffle, Black, *RoHS Compliant*

Part Number	Qty	Amount
041 03894-9	10-499	\$22.99

Product Info:

- a) ATCA Front panel and air impedance blade
- b) Lightweight plastic (UL 94V0) with EMI shielding injection molded
- c) Includes EMI gasket, thumb screws, alignment pins, and black overlay

3) ATCA RTM Filler Panels with Baffle, Black, *RoHS Compliant*

Part Number	Qty	Amount
041 03895-9	10-499	\$21.29

Product Info:

- a) ATCA Rear Transition Module (RTM) panel and air impedance blade
 - b) Includes Zone-3 filler
 - c) Lightweight plastic (UL 94V0) with EMI shielding injection molded
- Includes EMI gasket, thumb screws, alignment pins, and black overlay

4) ATCA Shelf Manager Carrier Options, *RoHS Compliant*

Part Number	Qty	Amount
471-05755-2S ShMC with PPS-500/128 (SP128)	1-49	\$1,151.00

- a) SP - Pigeon Point ShMM with standard memory
- b) SP128 - Pigeon Point ShMM with Extended memory (ShMM-500R-333M64F128R)
- c) Shelf Manager options are RoHS Compliant 6/6 with Exemptions

5) ATCA AC to -48VDC 850W Power Module for CO6, *RoHS Compliant*

Part Number	Qty	Amount
399-04926S	1-49	\$613.00

- a) Pluggable power supply for horizontal AC chassis
- b) Single output: -48V DC (850W total)
- c) Input voltage: 90-264V AC
- d) Hot swap and load sharing for redundant operation
- e) I2C Communication to ShMC (temp, fan, power good)
- f) Packaged as spare - Delivery: Stock-10 weeks
- g) RoHS Compliant 6/6 with Exemptions

6) ATCA Fan Tray Module for CO6, *RoHS Compliant*

Part Number	Qty	Amount

Hub-Module 16th parts order

November 18, 2015 11:37 AM

1 Attachment, 149 KB

Hello Brenda,

This is the 16th note in the series of part orders for the Hub-Module circuit board.

This order is for 1 item that we can purchase directly from its manufacture - a company named Comtel.

Thank you, Dan

HUB Parts Note Number 16: 1 Item from Comtel

Description: ATCA CO6 6U Chassis AC Input Dual Star Backplane

Comtel Part Num: CO6-6U-DS40-F2-SP1128-P0-AC2

Comtel Quote No: 2015-6394

Quantity to Order: 1

Approximate Price: \$ 5,791.00

Please see the Quote for this item which is attached to this note.

- Most of the actual quote information is on the first page.
- The second page and the top of the third page are extra accessories that we are not purchasing.
- The bottom of the third page has information about sending orders to Comtel.
- The contact at Comtel for this purchase is:
