

# TAKIN' CARE OF BUSINESS BACHMAN TURNER OVERDRIVE 1973

[G] [F] [C] [G] [G] [F] [C] [G]

[G] You wake up every morning from the [F] alarm clock's warning,  
And take the [C] 8:15 into the [G] city.  
There's a [G] whistle up above and people [F] pushing people shoving,  
And [C] girls, who try to look [G] pretty.

And if your [G] train's on time, you can [F] get to work by 9:00.  
And [C] start your slaving job and get your [G] pay.  
If you [G] ever get annoyed, look at [F] me I'm self-employed,  
I [C] love to work at nothing all [G] day.

And I'll be... [G] Takin' care of business, [F] every day.  
[C] Takin' care of business, [G] every way.  
I've been [G] takin' care of business, [F] it's all mine.  
[C] Takin' care of business, [G] and working overtime, work out.

[G] [F] [C] [G] [G] [F] [C] [G]

It's as [G] easy as fishin', you can [F] be a musician.  
If [C] you can make sounds that are [G] mellow.  
Get a [G] second hand guitar chances [F] are you'll go far,  
If you [C] get in with the right bunch of [G] fellows.

People will [G] see you having fun, just [F] lying in the sun.  
[C] Tell them that you like it this [G] way.  
It's the [G] work that we avoid, and we're [F] all self-employed,  
We [C] love to work at nothing all [G] day.

And I'll be... [G] Takin' care of business, [F] every day.  
[C] Takin' care of business, [G] every way.  
I've been [G] takin' care of business, [F] it's all mine.  
[C] Takin' care of business, [G] and working overtime, work out.
