

THE LOG SONG

from Ren & Stimpy

[C] What rolls down stairs alone or in pairs
Rolls over your neighbor's **[G7]** dog?
What's great for a snack and fits on your back?
It's Log, Log, **[C]** Log!

[F] It's Log, Log, it's **[C]** big, it's heavy, it's wood.
[F] It's Log, Log, it's **[G7]** better than bad, it's **[C]** good!
[G7] Everyone wants a **[C]** log!
[G7] You're gonna love it, **[C]** Log!
[G7] Come on and get your **[C]** log!
[G7] Everyone needs a **[C]** Log!
