1968 Wheels of Fire

[Dm] [C] [Am] [G] [Dm] [C] [Am] [G] [G7]

In the **[A]** white room, **[G]** with black **[D]** curtains, **[F]** near the **[A]** station **[G] [F] [G]**
Black roof **[A]** country, **[G]** no gold **[D]** pavements, **[F]** tired **[A]** starlings **[G] [F] [G]**
Silver **[A]** horses, **[G]** ran down **[D]** moonbeams, **[F]** in your **[A]** dark eyes **[G] [F] [G]**
Dawn light **[A]** smiles, **[G]** on you **[D]** leaving, **[F]** my **[A]** contentment **[G] [F] [G]**

I'll **[G]** wait in this **[D]** place where the **[F]** sun never **[E]** shines;
[G] Wait in this **[D]** place where the **[F]** shadows **[G]** run from them **[A]** selves.

You said **[A]** no strings, **[G]** could **[D]** secure you, **[F]** at the **[A]** station **[G] [F] [G]**
Platform **[A]** ticket, **[G]** restless **[D]** diesels, **[F]** goodbye **[A]** windows **[G] [F] [G]**
I walked **[A]** into, **[G]** such a **[D]** sad time, **[F]** at the **[A]** station **[G] [F] [G]**
As I **[A]** walked out, **[G]** felt my **[D]** own need, **[F]** just **[A]** beginning **[G] [F] [G]**

I'll **[G]** wait in the **[D]** queue when the **[F]** trains come **[E]** by;
[G] Lie with **[D]** you where the **[F]** shadows **[G]** run from them **[A]** selves.

[Dm] [C] [Am] [G] [Dm] [C] [Am] [G] [G7]

At the **[A]** party, **[G]** she was **[D]** kindness, **[F]** in the **[A]** hard crowd **[G] [F] [G]**
Conso**[A]**lation, **[G]** for the **[D]** old wound, **[F]** now for **[A]** gotten **[G] [F] [G]**
Yellow **[A]** tigers, **[G]** crouched in **[D]** jungles, **[F]** in her **[A]** dark eyes **[G] [F] [G]**
Now she's **[A]** dressing, **[G]** goodbye **[D]** windows, **[F]** tired **[A]** starlings **[G] [F] [G]**

I'll **[G]** sleep in this **[D]** place with the **[F]** lonely **[E]** crowd;
[G] Lie in the **[D]** dark where the **[F]** shadows **[G]** run from them **[A]** selves.
